

BEWARE OF FAKE JOB OFFERS

Top 10 Things to Watch Out For

1. Request for **money or payment** of any type of fees.
2. Request for **banking or credit card information**.
3. **Misspellings and typos**.
4. **Vague requirements and descriptions**.
5. Requirement to **set-up a new email or other new contact** information.
6. **Email is sent from a non "visioncritical.com" account** or a personal account (be careful to check the full email address and that letters are not missing (like ".co" instead of ".com") as this would indicate the sender is not from Vision Critical.
7. Requirement to **submit your application to a non-Vision Critical person or address**.
8. Ask you to **buy software or training** services.
9. **Offer to send you money or compensation** for your application.
10. **References to third party recruitment firms or employment agencies** that are not Vision Critical.
